To Øl

To Øl is a young Danish craft beer brewery founded in 2010.

At To Øl they do contemporary beers. They brew a wide range of potent, provocative, fresh and floral beers; hoppy, balanced and complex beers both light, dark, strong and simple.

To Øl entered Ratebeer's list of Top 100 best breweries in the world in 2012 – and in 2014 To Øl was awarded the world's 9th best brewery.

1. 45 Days Organic Pilsner

Brauerei: To Øl

Art: Pils

Alkohol: 4.7 %

IBU: 26

4.9/10

“The slower the fermentation, the better a pilsner tastes. We took no risks and decided to ferment and mature our pilsner in no less than 45 days. It would be a sin to rush it after all. Enjoy all the crisp complexity that belongs in the golden lager we all love, and enjoy it more, knowing it was made only with the highest respect and admiration for the style.”

2. American Dream II

Brauerei: Bier-Freunde Seeland

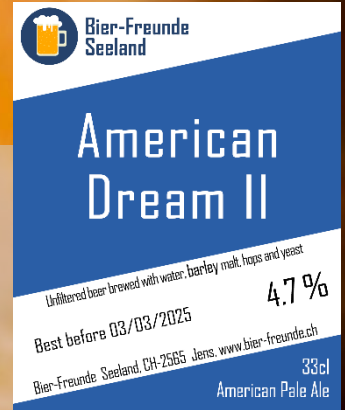

Art: American Pale Ale

Alkohol: 4.7 %

IBU: 40

6.2/10

“Dreams don’t die. They ferment. Like this classic American Pale Ale did. Brewed with a complex malt bill and exclusively American Cascade hops, this pale ale brings subtle aromas of grapefruit and pine resin, but stays refreshing. Like a slight summer breeze on the coast of the Pacific Ocean.”

3. Lowmotion Pink

Brauerei: To Øl
Art: Alcohol-Free Sour
Alkohol: 0.3 %
IBU: 5

2.6/10

“It's new AND it's pink. We've been slinging out a few exciting non-ABV sour beers of late, enjoying all the tart complexity without any lingering hangover. Explosively fruity, made with Dragon Fruit, Lychee, and Hibiscus. To be enjoyed preferably in a Hawaiian shirt, singing Madonna's 'Holiday', while looking at a beautiful sunset.”

4. Snublejuice

Brauerei: To Øl
Art: Session IPA
Alkohol: 4.5 %
IBU: 42

5.7/10

“Snuble means “stumble”, Juice means “highly aromatic irresistible refreshing liquid”. We’ve fallen head over heels for this beer. We know you will too. An India Pale Ale Dry Hopped with El Dorado, Mosaic and Simcoe. Oh, and it’s Gluten Free.”

5. Gose to Hollywood

Brauerei: To Øl

Art: Gose with Oranges

Alkohol: 3.8 %

IBU: 17

5.5/10

“To Øl got startstruck. This is how we went to Hollywood. Salty, sour, light gose brewed with the best fruits California can offer. Best consumed on warm summer days or on the red carpet.”

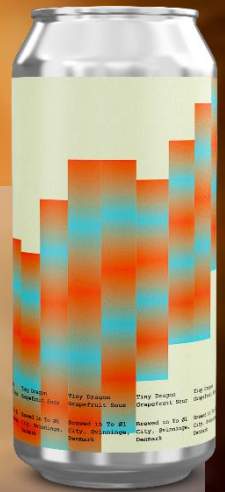

6. Tiny Dragon

Brauerei: To Øl
Art: Grapefruit Sour
Alkohol: 4.0 %
IBU: 10

5.5/10

“This kettle soured beer has a complex blend of fruits and herbs to give an interesting mixture. Grapefruit is at the forefront, and then coriander, szechuan peppercorn, and tarragon play a supporting role. You won't think bernaise sauce when you drink this beer, rather you will remark at how refreshing it is!”

7. Stereo Mono Mosaic

Brauerei: To Øl
Art: West Coast IPA
Alkohol: 6.8 %
IBU: kA

6.3/10

“The goal for our Stereo Mono series is to let the hops take center stage to create as clean a canvas for the hop aroma as possible, while still having a slight backbone to balance out the bitterness from the hops and present to you a juicy fresh IPA packed with notes of Peach, Mango, Blueberries, and citrus.”

8. Tandem-Rotor Helicopter IPA

Brauerei: Bier-Freunde Seeland

Art: East Coast IPA

Alkohol: 7.0 %

IBU: 75

6.8/10

“The Boeing CH-47 Chinook is a tandem-rotor helicopter originally developed by American rotorcraft company Vertol and now manufactured by Boeing Defense, Space & Security. It is a heavy-lift helicopter that is among the heaviest lifting Western helicopters. Its name, Chinook, is from the Native American Chinook people of Oregon and Washington state.”

9. Take a Walk on the Mild Side

Brauerei: Bier-Freunde Seeland

Art: Dark Mild

Alkohol: 3.1 %

IBU: 13

5.9/10

“As Lou Reed sang in 1972, you can *Take a Walk on Wild Side*. Or you can *Relax and don't do it* as instructed by Frankie Goes to Hollywood in 1984. Fact is: long overlooked & underappreciated, the *Dark Mild* style is the original session ale. This modern tribute to this classic English style, is a dark, straightforward ale.”

10. Mash Test Yummies BA

Brauerei: To Øl

Art: Bourbon Barrel Aged Imperial Pastry Porter

Alkohol: 11.8 %

IBU: 35

7.2/10

“This beer takes everything to the extreme, then it's aged 18 months in bourbon and rye barrels. With hazelnuts, cacao nibs, vanilla, and lactose. Very dark black/opaque color with a bit of haze. Sweet aromas of vanilla beans, chocolate with brown sugar. Other aromas of hazelnuts/ peanuts, coffee & whiskey like aromas from the barrels.”
