"This copper-bronze, bottle conditioned beauty is an intense yet uniquely intricate offering thrice-hopped during the brewing process. This adds rich resinous notes and spikes of citrus to a moreish strong ale already rife with notes of liquorice, Marsala wine, caramel and spicy orange. A frisson of dark fruit freshens the finish. Serve with smoked cheese."

To round out the lunar experience, we added coffee beans during primary and a final, bold punch of fresh espresso shots at bottling.“
